How to achieve the best exam results!

Here is some useful advice to help you revise for your exams in any subject.

- ✓ You should always eat healthy food because it good for the brain. What should you eat if you are hungry ? You shouldn't eat too many sweets. Choose nuts or fruit instead; they can improve your memory. You should also drink a lot of water.
- ✓ You should take a ten-minute break and some exercise, such as walking every hour, because this improves your memory.
- ✓ You shouldn't stay up too late at night. If you don't get enough sleep, you won't able to remember all facts that you've memorised. Think of ways to make your revision interesting. If you're learning vocabulary, write the words on paper and stick it on the walls. Make lists and diagram with important information and invent rhymes to help you remember them.
- ✓ Finally, try not to get too nervous before an exam. You'll think more clearly if you relax!
